

Be warned: 4gotten Floor has a truly eclectic sound and may not go down well with you mainstreamers. BUT...if you're looking for a fresh and innovative sound to hip-hop, pop, funk and dance music, you'll definitely find "The Forgotten Floor" enjoyable.

The Forgotten Floor", the explosive debut album of 4gotten floor, also known as 4GF or 4gottenfloor. R'n'B and american soul meet the refined eletronic european scene. This perfect alliance gives life to a different way to pop and club music.

4GOTTEN FLOOR is the new **Chelonis R. Jones's** project, velvety voice in between soul and rock for which the international press has expressed important comparisons with names such as Prince and Lenny Kravitz! Chelonis is considered the "**next big thing**" of electro pop thanks to his natural talent, a volcanic creativity, a glamorous, intriguing and unconventional personality and an emotional voice.

After a fistful of successful singles and an album, "Dislocated Genius" (2005) for the berlin based Get Physical, Chelonis R. Jones gained the attention of international press and wider audience with the single 49% with Royksopp and a new album "Chatterton" (2009, Systematic Rec.). The long producers & remixers list of names involved with Chelonis talented vocal is a sort of dance music's "who's who".

"The Forgotten Floor", produced together with dj and producer **Alex Dandi** (a respected name within' the underground for his productions as Pinktronix) . Recorded between Miami, Bologna & Frankfurt and mastered at The Exchange in London from genial **Mike Marsh** (Chemical Brothers, Bjork,Basement Jaxx, Prodigy, Depeche Mode, Oasis..) announce itself as an absolut cult. The hot and favourable welcome from specialized press confirms the awaited release hype . The committed lyrics and pop lightness., electro soul for the dancefloors and catchy melodies .

Some reactions to 4GF from some worldwide famous djs and producers:

"I'm a fan of Chelonis. He has a unique voice and I love his songwriting which is very poetic with it's timely topics...I can't wait for the dance mixes so I can expose him to wider audience than he might be currently exposed to. Great success on this album and keep doing what you're doing." Quentin Harris

"A fresh breath in thus music industry, very funky very original." Dj Sneak

"Finally got round to listening...sounding good! I really liked. Chelonis has got a good voice eh! and I see Mike Marsh did the business on the mastering...nice!" Tim Simenon – Bomb The Bass

"I really like it...charted in my top ten this month." David Brown – Swayzak

"Very good overall... Will hammer this everywhere." Laurent Garnier

"Amazing album, voice from heaven! This diverse album deserves to be big!" Raoul Belmans - Swirl People

4GF live set will be a blast, surely at the highest standard of International acts thanks to the stately scenic presence of Chelonis R. Jones and to the perfect interaction among musicians (of which **Francesco Brini of Swayzak**), electronica and visuals.
